INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Dear Sir:

I am a Cherokee Indian and entitled to share in the emigrant monies due our people. My health is bad, I am troubled with consumption of the lungs, and desire to move further South in order to escape the cold winters that we have here in Oklahoma. In order to make the trip, I want you to recognize any power of attorney that I may give for the collection of my share, in the above described monies. A certificate stating the condition of my health can be furnished by one of our most reputable physicians. I need some money in order to make the trip South, which is my reason for making this request of you. Hoping for an early reply to this letter, I am

Nancy B. Price, after being first duly sworn, deposes and says:

I am 45 years of age; was born in Union County, Ky. I claim to be one-sixteenth Cherokee Indian. I have never received any Indian money from the government. I claim my Indian blood through my mother. She died in Kentucky. I do not know where my mother was born. I tried to get an allotment before the Dawes Commission but did not get anything. I have heard that I had Cherokee blood ever since I can remember. My aunts and uncles told me. They lived in Kentucky. I was not enrolled with the Indians about 1882. I do not speak the Cherokee language. I never went to the Tribal Councils.

Sir:-

Relative to your application #4346, for a share of the money appropriated for the Eastern Cherokee Indians, you state you claim through William C. Roe, your father. The name of William C. Roe does not appear upon the rolls of 1851 or 1835. Do you know of any reason why your father was not enrolled in 1835, as you state he did not die until 1862. Where did he reside in 1851? Was your father a Cherokee Indian, or to what race of Indians did he belong, or was he part Indian and part Negro? To what race did your mother, Lydia Roe, belong, White, Indian or Negro? Where were you residing at that time? You state in your application that you proved your claim to Indian blood and filed same through Joseph P. Pyens, of Fort Smith, Arkansas, as attorney. What do you mean by this? To whom did you prove your Indian blood, and for what reason was such proof necessary? Any further information you may be able to give this office will be greatly appreciated.

John W. Hopkins,

108 Curen St., Atlanta, Ga.

Sir:-

Relative to your application #4348 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you base your claim upon your descent from John Hopkins, your father, and George Hopkins, your grandfather. The names as you have given them do not appear upon the rolls of 1835 or 1851 as Cherokee Indians. Do you know of any reason why your father, John Hopkins was not enrolled in 1851, or of any reason why your grandfather was not enrolled in 1835 or 1851, if he was living at that time? Was your grandfather a full-blood Cherokee Indian, or was he part White man and part Indian, or part Indian and part Negro? Was your grandmother an Indian woman, White woman, or Negress? Were your parents or grandparents ever slaves, and, if so, were they owned by Cherokee Indians or by White people.

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Appl. #4348

John W. Hopkins being first duly sworn, deposes and says:

My name is John W. Hopkins. I live 108 Curen St. Atlanta, Ga. I was born in 1853 in Gwinett Co., Ga. I claim Indian blood through my father and his father. My father died in 1885 and was 78 years old. He was born in S. C. near Abbeyville. My grandfather was born in S. C. In the same part of the country. My father came to this state when he was a boy. My father and his father were recognized as white people where they lived. They lived with the white people. I never heard of my grandfather living with the Cherokee tribe. I never heard of my father or grandfather getting any money or land from the Government on account of their Indian blood. I don't remember ever hearing my father and grandfather speak of a treaty in 1835. In 1882 I was living in DeKalb County. I do not know why I was not enrolled with the Cherokees at that time. I have been taught from my childhood that I had Cherokee blood. I never heard anything about my father and his father being enrolled. At the time the Indians were carried away from here, about 1835-1838 he had taken oath to become a citizen of the U. S. My father. I think my grandfather probably also had taken an oath too.

Alford G. Welch,
Sallisaw, Okla.

Sir:-

Kindly inform this office whether you ever had a brother by the name of David Welch, who was married to an Indian woman by the name of Lizzie Trackingwolf. The said David Welch resided in the Indian Territory, and died, according to the application of one J.C. Welch, Administrator of the estate of John P. Welch, deceased, between the dates of 1890 and 1895. The said application of J. C. Welch, Administrator of the estate of John P. Welch, deceased, claims that John P. Welch was the son of David Welch, and that David Welch's father was Edward Welch, and that the said Edward Welch lived in North Carolina. I am asking for this information, as you state you are a son of Edward Welch, who was a resident of North Carolina.

What relation are you, if any, to Jesse J. and Fannie L. Moore, also to Bertha M. and Bessie B. Shaw, who are the children of one Josephine R. Welch, who lived in Chelsea, Indian Territory, and who claims David and Rebecca Welch as her children. The said Josephine R. Welch died October 1, 1901. In the application of one Spencer W. Cannon, of Adair, Oklahoma, he gives his father as Lewis L. Cannon and his mother as Josephine R. Welch, and states that Jonathan N. Cobb, Richard Lloyd, and Rebecca Welch are her uncles and aunt, respectively. As you do not mention a Dave Welch in your

Sir:-

Relative to the two applications you have filed in this office, #4561 and #17565, as administrator of the estate of John P. Welch, in which you state that Dave Welch was the father of John P. Welch and Edward Welch was the grandfather, will say that Edward Welch, who was the son of John Welch, Sr., had no son by the name of David Welch. The said David Welch, you state died in 1904. What was the date of his birth, and what were the names of his brothers and sisters? Did he have brothers by the names of John Welch and Richard Welch, and a sister by the name of Eleanor Welch? If so, state where they were living in the year 1851. Why was not Lizzie Welch, the wife of Dave Welch, enrolled in 1851? Give the names of the uncles and aunts of the said David Welch, also the name of the grandmother of David Welch, giving her maiden name as well as married name, and was the said grandmother of David Welch married twice, or was the grandfather of David Welch married twice?

An early reply will be appreciated.

Replying to your letter of July 18, 1907, you are advised that it is not necessary for both husband and wife to file supplemental applications for their minor children.

You are advised that if your mother was living on May 28, 1906, you would be entitled to file an application for her share of this fund.

An application blank is inclosed, as requested.

L. H. Tackett, being duly sworn, deposes and says:

My name is L. H. Tackett. I am 58 years old. Live in Rogers Co., and have lived here since 1880. I filed for my children. I claim no Indian blood myself. My children claim through their mother. My wife did not file an application to my knowledge. The children were given to me by the Court at the time of divorce. My children were enrolled by Dawes Commission, Cherokee Roll Nos. Maud's 6455, Bert A., 6454, and Walter E., 6456. Their mother's name was Mary P. James, after marriage Tackett. She was living six miles from here at the time I married her. She was on the doubtful roll because she left here two years, and if she did not get on it was on account of her absence. She was on the previous rolls, and got the strip money. She got her blood from her mother, Josie Welch before marrying a James. She was probably born in Delaware District. My wife would be about 37 or 38. Josie Welch also lived near here. Her father was Dave Welch. He has been dead many years and I do not know where he lived. I think he was born in Georgia. I do not know when they came West. They went back to Georgia and died there, I have heard. Jim Welch was a brother to Dave. Cob Welch was his son, (Jim Welch's son). There was a John Welch and a sister Mary, I think was her name, but am not quite positive. My wife had half-brothers. She was the only child by James. Bill Clark was the oldest half-brother. Spence ~~William~~ Cannon was another half-brother. George Cannon another, and Lee Cannon, and Annie Cannon. David Welch and James Welch were brothers. David lived in the East and then returned and died in the East. James came from North Carolina to the Territory and lived and died here. Laura Welch was a sister to Cob Welch and daughter of Jim or James. She was born and raised in North Carolina and came here in 1880. Ned Welch is a brother to David Welch. John Welch was the father. They claimed to be Emigrants and they never got Old Settler money. Myrtie Arwood, nee Tackett is my daughter and has filed an application.

Mary Adair, being duly sworn, deposes and says:

My name is Mary Adair. I am 31 years old. I have lived in Lenapah since last January. I lived in Illinois District before that. I was born and raised in Illinois District. I was enrolled by the Daws Commission under the name of Mary Welch. Cherokee 16893 is my Roll number. I was enrolled when a child under the name of Mary Welch. I was enrolled for the Strip Payment as Mary Welch. The Strip Payment was in 1894. I was enrolled before that when a very small child, about 1884. I claim through both father and mother, but principally through my father Richard H. Welch; he lived in the Flint District. He is dead. He was brought to the Territory when 3 years old. He was about 28 when he died. They drew money in North Carolina in 1851, before coming here. My grandfather was Edward Welch. I do not know whether he was enrolled before the enrollment of 1851. He got his blood from his father, Edward Welch. I do not know if had any Indian name. He came to this country and lived only one day after he got here. He left North Carolina when my father was only two or three years old. I do not know that they ever associated with any other tribe of Indians. I have one sister, Emeline Welch. She was adopted by her grandfather, Edward Welch. My father's brothers are John E. Welch, Alfred G. Welch, and George Welch and Richard L. Welch, my father. Half-brother David Welch.

Sir:-

You have filed in this office application #4375 for one Georgie Couch, claiming that she is of Indian descent, and have simply stated that she claims through her great grandfather, great grandmother, grandmother, Catharine Gunter, and have then given the names of Caleb, Takie, Patsie, Peggy, Dick and Henry Hunt. You have given as the father of Georgie Couch, Jack Couch, and mother, Eliza Couch, nee Eliza Gunter. Evidently you claim for this child through the mother, Eliza Couch. Give the names of the father and mother of Eliza Couch. What was the maiden name of the mother of Eliza Couch? Give the name of the father and mother of the said Eliza Couch's mother. Was Eliza Couch living in 1851? If so, where was she enrolled at that time, and in what district? Where were the parents of Eliza Couch living in 1851, and were they enrolled at that time? What relationship do the members of the Hunt family whose names you have given bear to the said Eliza Couch? Please answer all questions fully, and oblige,

Very respectfully,

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. DEC 27 1907

No.

filed

Muldrow, Oklahoma, Dec. 24th 1907.

To The Hon. Guion Miller,
Special Commissioner Court of Claims,
Washington, D.C.

Sir:

In answer to your letter dated December 12th 1907, relative to my claim for a share in the distribution on the Eastern Emigrant fund, I make and qualify to the following statement:

In the first place my return receipt card sent me after my application was filed in stead of showing my claim to be # 4377 as you have it in your inquiry, is # 7700, as shown by card hereto attached.

My fathers name is J.E. Gunter he was living in 1851 and drew money, he is also now living and was married to Mary Gunter, nee Lee in 1876 and lived Sequoyah or Skin Bayou, District, Cherokee Nation, Indian Territory.

My father is 62 years old and is a mixed blood Cherokee Indian, he being mixed of white and Cherokee Indian blood.

~~My mother~~ died in 1900 and was a mixed blood of white and Cherokee Indian.

All of ~~my~~ the names of my fathers and mothers brothers and sisters can gotten from the application of John E. Gunter or from my own application No 7700.

I know of no reason why my parents and grand parents should not be on the rolls of 1851 as they were living and drew money at that time.

Any amount of information to substantiate the above statment can be furnished upon request.

Signed *Fannie Gunter*

Subscribed and sworn to before me this the 24th day of December A.D. 1907.

Fannie Gunter,

Muldrow, Okla.

Madam:-

Relative to your application #4377 for a share of the money appropriated for the Eastern Cherokee Indians, you state that your father is J. E. Gunter, your mother, Mary Gunter, nee Lee, your grandparents on your father's side George W. and Elizabeth Gunter, and your grandparents on your mother's side Walter and Lucinda Lee. None of the names as you have given them appear upon the roll of 1851. Do you know of any reason why your father and your mother, if they were living in 1851 were not enrolled, or why your grandparents, if living in 1851 were not enrolled. Was your mother married to J. E. Gunter, your father, in 1851? Please give the age of your father and state whether or not he is living. If so, is he a full-blood Cherokee Indian, or part Indian, part White and part Negro? Was your mother, Mary Gunter, a full-blood Cherokee Indian, or was she part White and part Negro? What were the names of your mother's brothers and sisters, and your father's brothers and sisters? Any other information you may be able to furnish this office will be appreciated.

Very respectfully,

Special Commissioner.

Madam:-

Yours of the 24th inst. at hand. Will state that you have on file in this office duplicate applications, one #4377, and the other #7700. The reason #4377 was referred to in my letter to you on December 18th, was because it was the smaller number. Your application #7700 is grouped with the lower number, #4377, and will be given due attention.

Will state, however, that I cannot find the name of J. E. Gunter enrolled in 1851. There is a J. G. Gunter on the roll in the Tahlequah District. What relation is he to J. E. Gunter? Was your mother alive in 1851? If so, under what name was she enrolled?

Thanking you for the information contained in your letter,

David W. Ragsdale being first duly sworn on oath deposes and says

I am about 78 years of age. I claim my Indian descent through both my father and mother. My father and mother were both about a quarter Cherokee each. My father was an Old Settler and my mother was an Emigrant. I am on the Emigrant roll of 51 with my mother. My mother was enrolled in 51 under the name of Elizabeth Alberty. See Del 960 and 961. I had a full sister by the name of Finny. She sometimes went by the name of Alberty. Sarah Jane, Eli and Jane were my half brothers and sister. Then I had an older sister by the name of Nancy, or rather half sister, who married an Alberty. She was a Buffington before she was married. I didn't have any full brothers. Polly McPherson was my half sister on my father's side. Both her father and mother were Old Settlers. and Polly was on the Old Settler Roll herself. Stonewall Loudermilk's mother is a full sister to Polly and his father is a white man. Joseph Hines and Stonewall are half brothers on the mother's side. Joe's father is a white man to. I don't know anything about Isaac Neighbors. Lucy England is a full sister of Polly. Ellen Ragsdale, the mother of Mary McElhaney is a full sister of Polly. Jasper Chaney is a white man. Isaac Ragsdale is a full brother of Polly but his wife, the mother of Elle Justus (22930) is an Indian but I don't know anything about her. My Daws Commission number is 6886.

*Robert D. Blackstone,
Muskogee, I. T.*

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. *4394*..... for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

I have no children either living or dead.

Very respectfully,

Robert D. Blackstone

My name is Amanda C. Carpenter; my post-office is Tishomingo, Okla.; I was born in Newton Co., Mo. in 1848; I claim relationship to the Cherokee Indians through my father, Lyndsay D. Carter who was a full-quarter; my father was born in the eastern part of Tennessee about 1833; my father claims through both his mother and his father; his father's name was Leonard Carter and he was a half-blood Cherokee; I do not know his mother's name; his grand-parents were named Job and Polly Carter; my father left Tennessee when he was a young man and came to Missouri, where he married my mother; my father had two uncles, namely Benjamin Carter and Jeff Carter; I have often heard him speak of them; and he said that they went to the Cherokee Nation; I never heard my father say that he was enrolled as an Indian; but that he lived when a boy with the Indians in the tribe in Tennessee and that they were all Cherokee Indians; I remember my father and he resembled the Indians and was taken for a part Cherokee Indian.

Alie Hooper, being duly sworn, deposes and says:

My name is Alie Hooper. My age is about 40 years. I was born and raised in Flint District. I am enrolled by the Dawes Commission, Cherokee Roll No. 26747. I got the V strip money. I am a full-blood Cherokee Indian. My mother's name was Lucy Noiswater. Her Indian name was Lu-cie Ah-mu-no-yuh-gee. Her maiden name was Luct Watt. She is dead; dead over 20 years. I don't know how old she was. She lived in Flint District. I don't know whether she was enrolled in 1851. I never heard her say anything about it as I was small when she died. I don't know whether she was an Old Settler or not. (She was also known as Lucy Longjohn.) I understand she was born and raised here in Flint District. She had brothers and sisters; they are all dead. Don't remember them. My brother is Elk Dougherty. Don't know much about our people. Never could find anybody who knew anything about it. (Her mother lived with a man by the name of Longjohn.) She was his cousin. My mother's grandfather's name was Wa-tih. His wife's name was A-lick-e. My grandfather's name was Watt or Wa-ty, or Wah-di. My father's name was Judge Noiswater. De-doo-go-de-skey was his Indian name. He is dead; was killed about 25 years ago. Don't know how old he was. He was in the Civil War. I remember my uncle Longjohn. I don't know any of his relatives. I don't know whether Longjohn or Lucy Longjohn ever lived in Delaware District. (Del. 996.) They were not Old Settlers but came here with the Emigrants. Don't know of any one I could get as a witness who knows any more about my family. Elk Dougherty's father was Indian also. Elk is my half-brother. He was known as John Dougherty, - the father of Elk. He had a brother named Eli Daugherty or Dougherty, or Dority. He had 4 sisters named Sarah, Peggy, Wat-ty. One named Ar-lie. One named Susie. Brothers, were Charley, and Cornelius, and a cousin named . I got this information by inquiring from different people who had known my relatives. I don't remember how old John Daugherty was. I don't recall seeing my father. (376 Flint.) My grandfather was Oo-com-mah.

AFFIDAVIT.

L.A. Howell, of lawful age, being duly sworn says: he is the husband of Bertha A. Howell and father of Ora Lee Howell; that Ora Lee Howell was born on October 31st, 1905; that on May 8, ¹⁹⁰⁶ 1906 affiant and Bertha A. Howell caused the execution of an application for the enrollment of Ora Lee Howell, and same was sent to the Dawes Commission and said application is said by the commission, never to have reached their office, - said application by copy is hereunto attached marked ~~Ex. A~~ A.

That on December 3, 1907 Bertha A. Howell made and properly executed and caused to be executed a second application for the enrollment of Ora Lee Howell, and by mistake same was sent to Commissioner of Court of claims, which Application for enrollment is hereunto attached, marked ~~Ex. B~~ B and made a part hereof, to which reference is made.

Affiant further says that, Bertha A. Howell, is a Cherokee by blood and that she is a recognized citizen of the Cherokee Nation and has her allotment of lands; that Ora Lee Howell is entitled to recognition the same as her mother is not cut out by loss of application in the mails and lapse of time. That affiant and said wife have used all possible diligence in the matter, and that the child is not now enrolled is due to miscarriage of mails, a matter of which affiant and said wife had no control and ought not to deprive the infant Ora Lee Howell of rights she may have in the premises.

Mr Union Miller,

Dear sir:

On or about the last of November, 1907 I wrote you for Mr Luther A Howell regarding his minor girl, more than 2 years old, in which letter we asked regarding her, the child being placed on the Cherokee rolls, and later affidavits were sent you to establish the right of the child as a Cherokee citizen, its mother, Bertha A Howell being a recognized Cherokee Indian.

Not having any information regarding the action taken by you in placing the child on the rolls, I desire to ask for information regarding what has been done, and what further, if anything is necessary for us to do in furtherance of claim for the child.

Very truly yours,

The above does not answer my inquiry. Bertha A Howell and child Ora Lee Howell are applicants for Eastern Cherokee money, No. 4417.

On Dec. 12, 1907 I registered to you Application and affidavits for our baby, Ora Lee, to be placed on the Cherokee ROLLS. Your letter above does not refer to same, but to the Eastern Cherokee claim.

Our baby, Ora Lee, is or was a "too late baby"; Bertha A Howell is a recognized Cherokee citizen and is on the rolls; we want baby enrolled as a Cherokee citizen with her mother, and we have been advised if a baby was born before March 4, 1906 that she could be enrolled as a Cherokee, and she was born on Sept. 31, 1905 as shown by the affidavits sent you by Registered letter Dec. 12, 1907. I trust you will write me regarding that matter of enrollment as, ...Very truly,
